AIRFRAME+ *Portable Car Mount*

Airframe+® keeps your smartphone in sight at eye level, ready for GPS directions, streaming music and hands free calls. It works with all smartphones and phablets with up to six-inch screens, and is compatible with most vent types.

DUALTRIP *Ultra-Fast Car Charger*

Dualtrip™ features two side-by-side high-speed USB ports that can charge two smartphones or tablets at maximum speed. Its elongated shape is engineered to stay cool and safely prevent overheating while outputting 2.4 amps from each port. Compatible with all USB cables, it's ideal for charging smartphones, phablets, tablets, and speakers.

TRIPLINE *3ft (1m) Charge/Sync Cable*

Tripline™ quickly charges and syncs your favorite devices, including smartphones, tablets, e-readers, speakers and other battery operated mobile devices. Its streamlined design works with most USB ports, combines both Lightning® and micro-USB connectors into one unit, and is certified by the Apple "Made for iPhone" (MFI) program.
