Resolution

Full HD display

ET1 series brings users into a perfect colorful world in Full HD 1920 x 1080, and provides the finest natural and sharp original quality with In-Plane Switching® panel and 100,000,000:1 contrast ratio.

Acer VisionCare™

AcerVisionCare™

AcerVisionCare™ technology incorporates several features that take into consideration prolonged usage by heavy users such as programmers, writers, and graphic designers to reduce eye strain and provides a more comfortable viewing experience.

In-Plane Switching technology

Advanced liquid crystal formula for advanced IPS technology for premium color performance, which has no color difference at any viewing angle

ZeroFrame

ET1 series offers new zero-frame design, virtually removes the display bounding box and gives you all image, seamless visual enjoyment

About Acer

Established in 1976, Acer is an information and communication technology company dedicated to the research, design, marketing, sale and support of innovative products that enhance people's lives. Acer's green supply chain delivers environmentally friendly PCs, displays, projectors, servers, tablets and smartphones — tools our customers need to explore beyond limits and experience more. Ranked No. 3 for notebooks globally (IDC 2012), Acer employs 8,000 people, and 2011 revenues reached US\$15.7 billion. Please visit www.acer.com for more information.
