Feature Highlights

Unlimited View

- Full HD 1920 x 1080 resolution
- Zero Frame design maximizes your viewing experience

Great visuals

- PLS technology
- 178° Wide viewing angle

Better your eyes

- Acer Flicker-less technology
- BlueLight Shield technology
- Acer ComfyView Display
- -5 to 15 degree tilted angle for the comfortable viewing

Resolution

Full HD display

ED246 brings users into a perfect colorful world in Full HD 1920 x 1080, and provides the finest natural and sharp original quality with PLS panel and 100,000,000:1 contrast ratio.

BlueLightShield™

BlueLightShield™

Acer BlueLightShield™ reduces the exposure ratio of blue light, which can potentially cause long-term eye damage, by adjusting color hue and brightness.

Plane to Line Switching technology

Advanced liquid crystal formula for advanced PLS technology for premium color performance, which has no color difference at any viewing angle

ZeroFrame design

The "ZeroFrame" design maximizes the view and minimizes visual clutter with a bezel so thin you barely notice it.

About Acer

Established in 1976, Acer is an information and communication technology company dedicated to the research, design, marketing, sale and support of innovative products that enhance people's lives. Acer's green supply chain delivers environmentally friendly PCs, displays, projectors, servers, tablets and smartphones — tools our customers need to explore beyond limits and experience more. Ranked No. 3 for notebooks globally (IDC 2012), Acer employs 8,000 people, and 2011 revenues reached US\$15.7 billion. Please visit www.acer.com for more information.
