

Drying Rack Tower, 23m - Metallic Grey

The Tower Drying Rack gives you 23 metres of flexible drying space and needs just one square metre of floor. It can take on a full machine load of laundry and even long laundry items like trousers. Just fold it out and adjust the wings – drying it's a breeze. You can even dry delicate laundry flat on its platforms. Quality at its highest.

Benefits & Features

- Room for a full machine load of laundry on a single square metre.
- Easy to fold out and to adjust the 'wings'.
- Easy to fold flat with special grip – compact storage.
- Easy to move, even when fully loaded with laundry – with transport lock.

- Suitable for (flat) drying of delicate laundry – with drying platform.
- Less chance of damage to the floor – robust protective caps.
