

Bissell® PROHEAT® 2X REVOLUTION®

Tackle your toughest messes with the BISSELL Revolution carpet cleaner. Dual dirt lifter power brushes combined with Heatwave technology work to remove dirt and stains from your carpet, helped by a pressurized water jet enabled by our PowerJet technology, that gently loosen and remove embedded dirt. Now you don't have to rent a carpet cleaner from a store to refresh your carpets, as the Revolution is as good as the leading rental machines and is easy to store at home. Tackle tough stains with ease using the stain tool. The Revolution also offers multiple cleaning modes to fit your needs. When using express clean mode, your carpet dries in about an hour, so you don't have to stay off of your floors all day long. Plus, the attached hose and tools make it easy to clean stairs, soft surfaces, and hard-to-reach areas.

CONSUMER BENEFITS

- Deeply wash and clean your carpets, lifting away spots and stains gently
- Powerful carpet cleaning device with 12 rows of rotating dirt lifter power brushes
- 3.7 liters tank capacity
- Includes on-board hose attachments
- Easy to fill, empty and clean 2-in-1 tank
