CROSSWAVE®
Multi-Surface Brush Roll
2787F

SAFELY & EFFECTIVELY WASHES SEALED HARD FLOORS & AREA RUGS.

BISSELL® Multi-Surface Brush Roll for the BISSELL® CrossWave® Cordless Max, Series 2765 & 2767.

Make the most of your BISSELL® CrossWave® Cordless Max with our Multi-Surface Brush Roll. It's safe and effective on all sealed hard floors and area rugs, so you can go from washing the rug in your kitchen to mopping up a juice spill in the dining room without having to switch machines. This dual action brush roll mops floors and washes area rugs while also picking up wet and dry dirt and debris. The Multi-Surface Brush Roll works with your CrossWave's soft touch wheels to gently glide over floors while cleaning.

When you're done using your CrossWave® Cordless Max, cleaning the Multi-Surface Brush Roll is easy with the Self-Cleaning Cycle. It spins your brush roll while flushing clean water through your machine, so it rinses and helps dry the brush roll, making it ready to go for its next clean. And don't forget to replace your brush roll with a brand new one every 6 months, this ensures your getting your best clean. The BISSELL® Multi Surface Brush Roll for CrossWave® Cordless Max is one of the ways this machine helps give your floors a hands and knees clean without the sponge and bucket of dirty water.

- Dual action brush roll mops and picks up dirt and debris at the same time.
- Pick up messes on area rugs and sealed hard floors including hardwood, tile, laminate, linoleum, and more with multi-surface capabilities.
- Brush Roll is easy to clean and replace. BISSELL recommends a new brush roll every 6 months for best cleaning results.
- Use with BISSELL® Multi-Surface Floor Cleaning Solution or Multi-Surface Pet Floor Cleaning Solution with Febreze to clean messes across multiple surfaces in your home.
