**SAFELY & EFFECTIVELY WASHES SEALED HARD FLOORS**

BISSELL® Wood Floor Brush Roll for the BISSELL® CrossWave® Cordless Max, Series 2765 & 2767.

Get your best clean on sealed hardwood floors with the BISSELL® CrossWave® Cordless Max and our Wood Floor Brush Roll. It's effective and safe on wet and dry messes on all sealed hard floors, so you can mop up spilled water and food in the kitchen with just one machine. The microfiber brush roll gently mops tough messes off your hard floors and suctions them up into the machine. For best results, BISSELL® recommends using this brush roll with our Wood Floor Cleaning Solution.

When you're done cleaning with your CrossWave® Cordless Max, cleaning the Wood Floor Brush Roll is a breeze with the Self-Cleaning Cycle. That cycle spins your brush roll while flushing clean water through the machine, so the brush roll gets rinsed but also spins to dry faster. Remember to replace your brush roll every 6 months so you know you're getting your best clean. The BISSELL® Wood Floor Brush Roll and CrossWave® Cordless Max is one of the ways BISSELL® helps you give your sealed hardwood floors and hand and knees clean without the hassle of the sponge and bucket of dirty water.

- Gently clean delicate hardwood floors, revealing their natural shine.
- Wash sealed hardwood floors and pick up dry debris with the Wood Floor Brush Roll's soft-touch microfiber material.
- Easy-to-clean and easy-to-replace brush roll. Use a new brush roll every 6 months for best cleaning results.
- Get optimal results when paired with BISSELL® Wood Floor Cleaning Solution.
