SAFELY & EFFECTIVELY CLEANS & REFRESHES AREA RUGS

BISSELL® Area Rug Brush Roll for the BISSELL® CrossWave® Cordless Max, Series 2765 & 2767.

Get your best clean on area rugs from the BISSELL® CrossWave® Cordless Max with our Area Rug Brush Roll. It works safely to refresh area rugs after pet accident or for a general clean. It's made with scrubby bristles that loosen tough messes up while the powerful suction of the CrossWave® Cordless Max sucks the messes into the machine.

When you're done cleaning, rinsing the Area Rug Brush Roll is easy with the Self-Cleaning Cycle. This cycle spins the brush roll while also flushing clean water through your machine, so your brush roll isn't just getting rinsed but it's also going to dry faster. Don't forget to replace your brush roll every 6 months, so you can make the most of your CrossWave® Cordless Max. Our Area Rug Brush Roll for the CrossWave® Cordless Max is one way BISSELL® makes refreshing your area rugs easy.
