PRODUCT DESCRIPTION
Le CrossWave® C3 de BISSELL® aspire, lave et sèche en un seul passage. Parfait pour les tapis et les sols durs, ce nettoyeur multi-surfaces est idéal pour le nettoyage quotidien ainsi que pour les petits accidents de la vie courante des familles actives. Les commandes tactiles vous permettent de passer d'un mode de nettoyage à un autre et de projeter la quantité d'eau désirée. La technologie à double réservoirs sépare l'eau propre de l'eau sale, ce qui vous permet de toujours nettoyer avec de l'eau propre. Le système Anti-Odeur FreshStart™ combiné à la brosse et au filtre antimicrobiens combat les odeurs et maintient votre appareil propre et frais. Le détergent Natural Multi-Surface 1L qui est inclus élimine les odeurs et procure une sensation de fraîcheur. Le cycle d'autonettoyage nettoie la brosse et l'intérieur de l'appareil. Cela facilite l'entretien du CrossWave et vous fait gagner du temps et de l'énergie.
