PRODUCT DESCRIPTION
<p>BISSELL® Revolution™ HydroSteam™ upright carpet & upholstery cleaner has been engineered to better remove the toughest set-in stains, sticky messes, and lingering grime from carpets and area rugs thanks to the power of HydroSteam™ Technology. When used in Steam Pretreat Mode or SteamWash™ Max Clean Mode, a combination of steam vapor, water and specially formulated BISSELL® cleaning solution penetrates deep into the fabric and powerful abrasion of two Dirtlifter Powerbrushes & 1300W suction extracts the soil straight into the dirty water tank, so it is gone for good. A dedicated quick dry mode cleans and freshens your carpets and area rugs and leaves them dry in as little as 30 minutes.* For cleaning hard to reach surfaces like upholstery there is an option to attach the included hose with a Tough Stain Tool. You always clean your carpets with fresh water thanks to the two easy to fill, remove and clean tanks for clean and dirty water. Side sweep brushes ensure you always clean against baseboards and around furniture in an efficient way.</p> <p><i>*Reference instructions in user guide. Tested on new carpet with protectant. Results may vary.</i></p>
