English

Before using this product, please carefully read both these instructions and the camera user manual.

Note: DX lenses are for use with Nikon DX-format digital single-lens reflex cameras.

This lens does not support D4-series, D3-series, D2-series, D1-series, D000-series,

D700, D610, D600, D300-Series, D200, D100, D90, D70, D60, D60, D50, D40-Series, D7000, D5100, D5000, D3000, D300 and D3000. Stellen Sie

bei der Verwendung mit einer D500, D5, D300 oder D3000 sicher, dass die Kamera-Firmware auf die neueste Version aktualisiert wurde.

Wenn die Kamera ausgeschaltet ist oder sich im Standby (Ruhezustand)

befindet, kann der Fokusierung nicht zum Schärfen beurteilt werden, und das Drehen am Zoomring führt zu einem unscharfen Sucherbild.

Schalten Sie die Kamera vor dem Fokussieren ein bzw. beenden Sie den Standby durch Drücken des Auslösers bis zum ersten Druckpunkt.

Sicherheitshinweise

Lesen Sie die Sicherheitshinweise vor der Inbetriebnahme dieses Produkts vollständig durch, um Sach- oder Personenschäden zu verhindern.

Bewahren Sie diese Hinweise griffbereit für alle Personen auf, die das Produkt benutzen.

For Your Safety

To prevent damage to property or injury to yourself or to others, read "For Your Safety" in its entirety before using this product.

Keep these safety instructions where all those who use this product will read them.

WARNING: Failure to observe the precautions marked with this icon could result in death or severe injury.

CAUTION: Failure to observe the precautions marked with this icon could result in injury or property damage.

WARNING

- Das Produkt nicht aneinanderheften oder modifizieren. Berühren Sie keine Teile aus dem Gerätematerial, die infolge eines Sturzes oder eines anderen Unfallereignisses freiliegen.
