

## Tahoe BP 150

### Active life. Focused pack.

Keep your photo gear and tablet protected and organized in this lightweight and sporty Tahoe backpack.

A customizable and well-padded main compartment and roomy front pocket offer plenty of storage for a day's worth of essential gear, including a dedicated pocket for up to a 10-inch tablet.

Weather-resistant materials help safeguard your pack from the elements.

The  
Trusted  
Original™

## Tahoe BP 150

- **Protect all your gear** with the help of durable fabrics that resist moisture and abrasion and hold up to the rigors of daily use.
- Change up your daily storage options to fit more camera gear, more personal gear, or the perfect balance of both. Tahoe features Lowepro's classic, **customizable interior** with padded divider system, plus an **UltraFlex™ panel** in main compartment to help you gain more space.
- Suspend and protect a 10" tablet in the dedicated **CradleFit™ pocket**. It keeps your go-to device safeguarded and off the ground.

**Materials:** Durable and moisture-resistant 210D nylon and 600D polyester

# Tahoe BP 150

- DSLR with lens attached (such as Canon Rebel T5i, with 18-135mm attached)
- Flash plus extra lens (up to 50mm)
- Personal gear

Convenient grab handle for extra carry option

Softly padded shoulder straps adjust for a comfortable fit

Light grey interior makes it easy to locate and store gear

Roomy and adjustable interior with padded dividers

# Tahoe BP 150

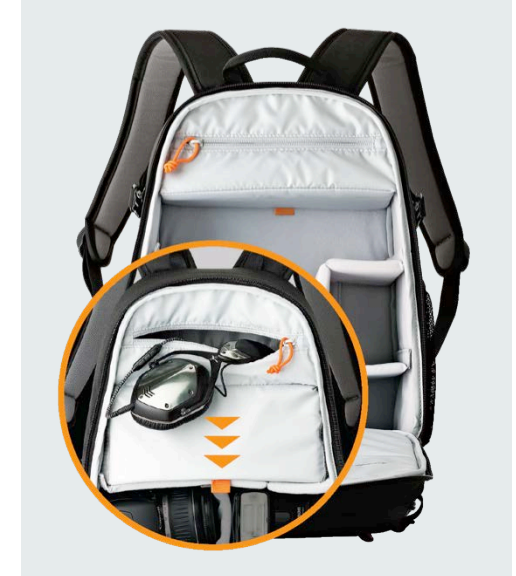

Discreet, zipped outer pocket offers space for earbuds, pens, keys, smartphone and smaller gear.

Tall, stretch-mesh side pockets accommodate large water bottles or other quick-grab items you want throughout the day.

Roomy front pocket includes organized storage for daily essentials, plus a protective CradleFit™ pocket for a 10" tablet.

UltraFlex™ panel folds down to create more space for personal gear and less camera gear. You can remove all dividers and use as a full daypack.
