WIRED

"eufy's flagship robovacs are some of the most loved robot vacuums on the market. They are small, attractive, easy to use, and reasonably priced."

"Affordable, powerful, and excellent at filtration, this eufy model is a great choice for anyone thinking about a robot vac, but especially well suited for cleaning carpets and floors after pets have passed through."

"If you're looking to trade up, but want to stay in the Eufy ecosystem, this is the one to get. This is also a good robot vacuum to get if you're interested in trying out a smart robot vacuum with more advanced features."

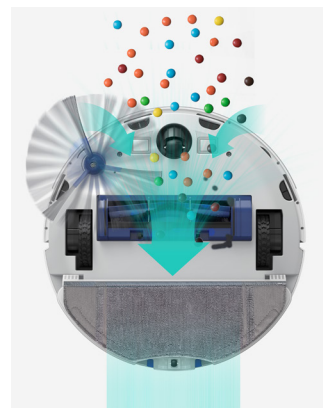

iPath™ Laser Navigation

Taking navigation to a whole new level for increased efficiency and run time.

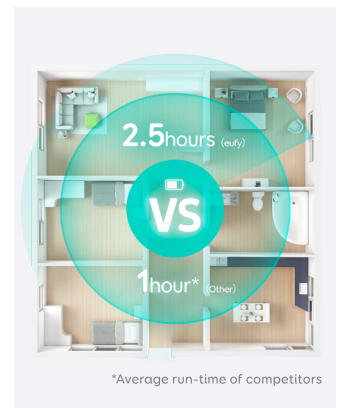

A.I Map™ Technology

Track and direct RoboVac over a real time map of your house via the EufyHome app.

Hybrid Vac & Mop 2-in-1

Vacuum and mop your home at the same time to leave your floors squeaky clean!

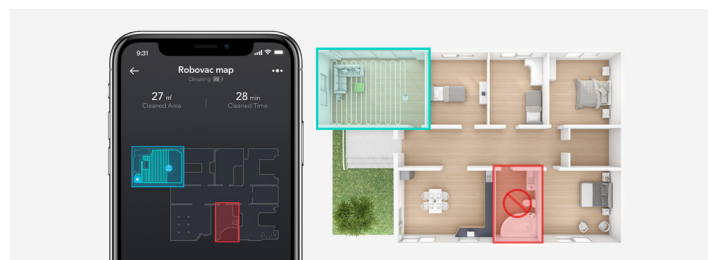

2.5H Runtime

Super-long 2.5 hour battery life allows for more to be cleaned on a single run.

2200Pa Suction Power with BoostIQ™ Technology

Not only smart, but also powerful. 2200Pa of hard-hitting suction that won't miss a spec. Our most powerful RoboVac ever!
