Your World of Wonder on the Move

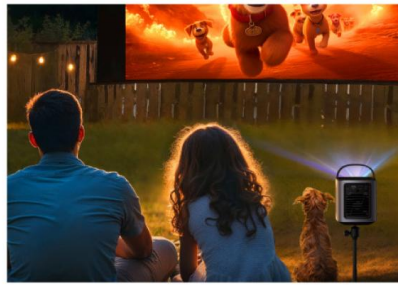

Take the Big Screen Anywhere

This portable Google TV projector lets you watch all of your favorite content and apps—including Netflix—wherever you are.

Dual 8W Dolby Audio Sound

Delivers immersive sound for movies, and can even function as a portable speaker to pump out the music at a party.

Jaw-Dropping Display

Enjoy a truly cinematic experience with rich detail and high clarity thanks to the 1080p HDR display and 400 ANSI Lumens brightness.

150-Inch Big Screen

Experience epic cinema at home with our 150-inch screen for an unmatched immersive viewing experience.

Ultra-Long Playback

Fully charge to enjoy up to 2.5 hours of movies and series, or listen to up to 8 hours of music.

Set Up in Seconds

Our IEA Technology performs auto keystone correction, autofocus, and obstacle avoidance in just 3 seconds.
