PRODUCT DESCRIPTION

LONG:

Great workflows made easy. Meet Stream Deck Neo, an eight-key controller that makes everyday tasks fast and fun. It automates the little repetitive stuff, such as pasting text or browsing folders, so you can focus on bigger things. Tap to manage Spotify music or mute your mic in Teams, even when apps are running in the background. Customize your keys with a simple drag-'n-drop, all inside free software for Windows or Mac. It's got an Infobar that shows your most important info in real time, plus two Touch Points to tap between pages of actions. Others will wonder how you do it.
