PRODUCT DESCRIPTION

LONG:

Sounding great should come easy. Meet Wave Neo, a plug-'n-play mic with all the clarity and capabilities of premium audio. It captures everyday moments at home, in the office, and on the go in ways your built-in microphone can only dream of. To listeners you sound oh-so smooth and professional, even when you're connected to iPad, iPhone*, or PS5. With a raised desktop stand and tap-to-mute, Wave Neo has more of the features you need. It comes with Wave Link app too, so you can mix audio and apply voice effects—if you want more control. So you can unmute and speak with newfound confidence.

*Requires USB-C-to-Lightning adaptor

MEDIUM:

Great audio made easy. Meet Wave Neo, a plug-'n-play mic that captures everyday moments at home, in the office, or on the go. It may be easy to use, but to your listeners you'll sound oh-so smooth and professional. So you can unmute and speak with newfound confidence.

SHORT:

Great audio made easy. Meet Wave Neo, a plug-'n-play mic with all the clarity of premium sound. So you can unmute and speak with newfound confidence.

WAVE NEO

PLUG-'N-PLAY USB MIC

FEATURES

- Sound professional, without distortion caused by built-in mics
 - Plug and play right out of the box, no software setup needed
 - At home in any setup, from laptop to iPad to PS5 and iPhone*
 - Thoughtfully crafted to look stylish and save desk space
 - A raised stand enhances vocals and quiets noisy keyboards
 - Tap to mute your mic audio—its LED glows red when muted
 - Its foam filter smooths out your sound, available in five colors
 - Plug into its headphone jack for easy listening with zero delay
 - Includes optional Wave Link app to mix audio and add effects
 - Pair with Stream Deck Neo to control audio with a key press
 - Made and packaged sustainably to reduce plastic waste
- *Requires USB-C-to-Lightning adaptor
