Overview

100 Word Product Description

Recline into comfort whether playing or working with the CORSAIR TC100 RELAXED Gaming Chair - Fabric, featuring a racing-inspired design with a wider seat surface. The chair’s plush exterior lets you play in cool comfort. With both an included adjustable lumbar support pillow and detachable memory foam neck pillow, you have all the support you need while gaming. The seat back reclines from 90° to 150°, so you can lean way back after a hard-won victory. After setting the chair up for your exact needs with a class 4 gas lift with 100mm height range and adjustable armrests, the TC100 RELAXED makes it easy to sit back and game on.

Features and Benefits

- Racing-inspired design with relaxed bolstering
- Plush leatherette exterior

- Included adjustable high-density foam lumbar pillow
- Included detachable memory foam neck pillow
- 100mm Adjustable seat height
- Steel-construction class 4 gas lift
- 90-150° Reclining seat back
- Adjustable armrests for fine-tuned comfort
- Quick and easy assembly
- Premium 65mm anti-roll dual-wheel casters

Style 2

<p>1. Racing-Inspired Design with Relaxed Bolstering</p>	<p>A stylish racing-inspired design with relaxed bolstering provides a roomy 375mm seat width and ergonomic full-body support.</p>
<p>2. Plush Leatherette Exterior</p>	<p>Upholstered with plush leatherette, so you can play in luxurious comfort.</p>
<p>3. CORSAIR RELAXED SERIES Family of Chairs</p>	<p>Offers wider seating and plush contact points, giving you the flexibility to lean or recline with all the support you need to sit in comfort for hours.</p>
<p>4. Included Lumbar Pillow and Memory Foam Neck Pillow</p>	<p>An included adjustable high-density foam lumbar pillow helps you maintain a healthy posture while gaming, with a detachable memory foam neck pillow.</p>
<p>5. 100mm Adjustable Seat Height</p>	<p>Effortlessly set your seat to your desired height thanks to a steel-construction class 4 gas lift, with 100mm of movement range.</p>
<p>6. 90-150° Reclining Seat Back</p>	<p>Sit way back and relax after a hard-won victory, with a 90-150° recline range.</p>
<p>7. Adjustable Armrests for Fine-Tuned Comfort</p>	<p>Adjust armrests up or down and horizontally to find the ideal position for your arms.</p>
<p>8. Quick and Easy Assembly</p>	<p>Get set up and seated fast so you can get gaming.</p>
<p>9. Premium 65mm Anti-Roll Dual-Wheel Casters</p>	<p>Stay put while you're away and glide easily on most surfaces while sitting.</p>
