

ENDURANCE 3

Wired Sport Headphones

Never hurt, never fall out.

Results matter, and when you have the perfect headphones there's nothing standing in-between you and your workout. With their FlipHook™ design, they adapt to an in-ear or behind-the-ear fit for added convenience. A combination of comfortable and soft ear tips and TwistLock™ technology means these buds are fitting securely in your ears and guaranteed never to hurt or fall out. And if you thought few drops were going to ruin your Endurance Run 3, think again. Thanks to the IP65 dustproof and water-resistant rating, JBL Endurance Run 3 headphones keep up with your every step, while an in-line microphone and remote ensures you're never reaching into your pocket to answer calls. The magnetic buds secure your JBL Endurance Run 3 conveniently around your neck while not in use. Enjoy your workout!

Features and Benefits

FlipHook™ technology for versatile wearing style

Flexible two-way design allows you to wear the headphones either in-ear or behind-the-ear.

Never hurt. Never fall out.

Thanks to the TwistLock™ technology, these headphones are lightweight and ergonomically built to ensure secure fit, ear sealing and stability no matter the workout.

IP65 dustproof and water-resistant

Designed to endure and outlast your high intensity outdoor or indoor workout sessions in any weather conditions, thanks to the IP65 rating.

JBL Pure Bass Sound

The 8mm dynamic driver of the JBL Endurance Run 3 delivers bold sound with rich bass to get the motivation your workout deserves.

Hands-free calls

In-line one button remote with microphone enables hands-free calling, allowing you to focus on your workout. A long press of the button activates your mobile native Voice Assistant.

Magnetic Buds

Magnetic earbuds that allow for easy cable management when not in use.
