

ENDURANCE RUN 3C USB-C

USB-C Wired Sport Headphones

Never hurt, never fall out.

Results matter, and when you have the perfect headphones there's nothing standing in-between you and your workout. With their FlipHook™ design, they adapt to an in-ear or behind-the-ear fit for added convenience. A combination of comfortable and soft ear tips and TwistLock™ technology means these buds are fitting securely in your ears and guaranteed never to hurt or fall out. And if you thought few drops were going to ruin your Endurance Run 3C USB-C, think again. Thanks to the IP65 dustproof and water-resistant rating, JBL Endurance Run 3C USB-C headphones keep up with your every step, while an in-line microphone and remote with 3 EQ presets ensures you're never reaching into your pocket to answer calls or manage your sound. Plus, their powerful JBL Pure Bass sound, Hi-Res audio certified, will keep your heart rate on the high side. The magnetic buds secure your JBL Endurance Run 3C USB-C conveniently around your neck while not in use. Enjoy your workout!

ENDURANCE RUN 3C USB-C

USB-C Wired Sport Headphones

Features and Benefits

FlipHook™ technology for versatile wearing style

Flexible two-way design allows you to wear the headphones either in-ear or behind-the-ear.

Never hurt. Never fall out.

Thanks to the TwistLock™ technology, these headphones are lightweight and ergonomically built to ensure secure fit, ear sealing and stability no matter the workout.

IP65 dustproof and water-resistant

Designed to endure and outlast your high intensity outdoor or indoor workout sessions in any weather conditions, thanks to the IP65 rating.

JBL Pure Bass Sound, with Hi-Res certified audio

The 8mm dynamic driver of the JBL Endurance Run 3C USB-C delivers bold sound with rich bass, Hi-Res certified, to get the motivation your workout deserves.

3-button remote with microphone

Use the conveniently placed microphone to take crystal-clear calls on the fly. Or control your music playback, change the volume, or switch your EQ presets, all at your fingertips.

EQ presets

Use the default EQ preset for great, well-rounded sound right out of the box. Select Bass to enhance the bottom end and add more energy and excitement to your music. Or choose Vocal to enhance the midrange and hear bright, clear vocal sounds.

Magnetic Buds

Magnetic earbuds that allow for easy cable management when not in use.

Compatible with USB-C devices

Need to connect to a PC, mobile or gaming device? USB-C connectivity ensures compatibility with a wide range of devices*.

*Please check USB-C compatibility with your device.
