

Blender Intention
Blender Intention
LM46EN10

Crafted with care in France, always delivering the same pleasure

The Intention range provides the first optimised-design food preparation products developed by Moulinex. This product contains at least 14% recycled material and is manufactured in France. This blender is repairable during 15 years. Thanks to its powerful 800W motor and its glass jar, blend your ingredients easily and unleash your creativity to create healthy recipes.

EDITORIAL DESCRIPTION

Blend to perfection in an optimised design

Super easy and yummy smoothie at your fingertips with the Intention blender!
This Intention blender allows you to prepare all sorts of yummy hot or cold recipes. Its powerful 800W motor combined with 4 stainless steel sharpened blades will offer you fast and efficient blending day after day. The simple two-speed rotary dial, plus pulse function, makes it easy to get just the right texture while its thermal shock-resistant glass jug lets you go from blending hot ingredients (up to 80°C) to crushing ice without worry, The 3-in-1 Smart Lock makes it easier to lock the jug into place, secures the blades automatically before running, and allows safe and easy access to the blades for cleaning. Thanks to four suction cups on the base, keep the blender stable no matter how tough the ingredients.

ETAILING DESCRIPTION

Moulinex Intention Blender, LM46EN10

- OPTIMUM BLENDING: 800W motor, 4 robust stainless-steel blades and a tapered jar for smooth and efficient blending, every time.
- HOT & COLD RECIPES: The thermal shock-resistant 1.75L glass jar (1.25L usable capacity) lets you go from blending hot ingredients to crushing ice.
- MADE IN FRANCE: Produced in our factory located in Lourdes
- 15-YEAR REPAIRABILITY: Low-cost, fast delivery from 6500 repair centers worldwide, as part of our commitment to help protect the environment and cut down on waste
- EASY TO USE: Two-speed (plus pulse) rotary dial for custom blending, ergonomic handle, and dishwasher-safe, removable blades for easy cleaning
- SAFETY FIRST: 3-in-1 smart lock for easy locking, safety, and cleaning
- COOL RUNNING: The built-in air-cooling system optimizes airflow through the motor to prevent overheating and extend the life of your blender.
- WHAT'S IN THE BOX: 1x Moulinex Blender, 4 blades, 1.75L glass jar (1.25L usable capacity)

PRODUCT BENEFITS

Optimised design
This product contains at least 14% recycled material

PRODUCT FEATURES

MAIN FEATURES

Power	800 W
Jar total capacity	1.75 L
Jar material	Glass
Power	800 W

OTHER FEATURES

Number of blades	4
Removable blades	Yes
Other features	Pulse, Air cooling system
Colours	BLACK
Jar useful capacity	1.25 L
Speed settings	2
Programs	0
Suction feet for stability	Yes
Dosing cup	Yes
Dishwasher safe	Yes
Dishwasher safe - details	Glass jar, lid, cup, blades.
Energy Consumption - Off mode	0.1 W
Energy Consumption - Standby mode	NA W
Energy Consumption - Networked standby	NA W
Time to reach off mode	0 min
Time to reach standby mode	NA min
Time to reach networked standby	NA min
Voltage	220-240 V
Frequency	50 Hz
Country of origin	France
