**Multifunction grill for cooking a variety of food**

Minute Grill, the essence of grilling all year long!

The Minute Grill is grilling made simple! Its 2 cooking positions (grill and barbecue) allow you to cook all types of food, to make every meal memorable! It's healthy too, thanks to its removable juice tray. And with its non-stick die-cast aluminium plates, there is no need for you to add fat or oil:

Cook anything, there is no limit to what you can do:

- Easy to use: indicator light tells you when to start cooking. Use the thermostat to adjust the temperature.
- Easy storage: can be stored vertically. Fits in any kitchen!
- Easy to clean: its removable non-stick plates and juice tray are dishwasher compatible.
- 1,600W: delivers great meals quickly.

## EDITORIAL DESCRIPTION

### Compact and easy-to-use grill

Minute Grill has been designed to deliver great results with ease of use and cleaning. Thanks to its removable interchangeable dishwasher-safe plates, Minute Grill can be cleaned quickly. Grill all year long thanks to its 1 600 W that enables you to grill any type of food ! Choose between grill and barbecue position, and adapt to your cooking preferences with the adjustable thermostat. The ready-to-cook light tells you when the grill is ready to cook for the best results. You can store Minute Grill vertically to save space in your kitchen !
