

Unlimited Premium

UNLIMITED PREMIUM saucepan 20 cm
SAUCEPAN - 20 CM
G2563002

Stands the test of time.

The unmistakable sizzle of chicken tossed into the pan, the clatter of utensils, the quick slide of a spatula at just the right moment... Extreme cooking calls for cookware that can withstand extreme conditions. Bringing together the all-new TITANIUM ANTI-SCRATCH coating—offering outstanding non-stick durability that can withstand even metal utensils—with an extra-thick THERMO-FUSION™ + base, the Tefal Unlimited Premium saucepan takes cooking performance to a whole new level.

Among all Tefal's coating, Titanium ANTI-SCRATCH is the most scratch resistant – abrasion internal test
Compared to Tefal Titanium standard

EDITORIAL DESCRIPTION

Tefal Unlimited Premium Scratch-Resistant Saucepan

No scratches, no sticking and no breakage: the right choice of cookware can make all the difference. Tefal rises to the occasion with a new line of cookware built to resist extremes—to make your masterpiece a reality, from stovetop to plate. The Tefal Unlimited Premium saucepan ensures extreme durability at uncompromising standards of quality. After years of research, the all-new TITANIUM anti-scratch non-stick coating lasts six times longer,* combining the convenience of a non-stick coating with extreme resistance to scratches that can withstand metal utensils. Discover a saucepan that's ideal for mouth-watering results, flawless searing and fat-free cooking with no added oil. Our cookware rises to the challenge every time, never letting you down during cooking, making all the difference. Take your culinary game to a whole new level with Tefal's best ever non-stick cookware.
*Compared to Tefal Titanium Standard
