Perfectly sear your meat whilst cooking delicate food

The Tefal Plancha Booster delivers grilling results like none other, with its dedicated Power Boost zone up to 2200 W that can be activated to sear meat perfectly. This plancha enables you to sear big cuts of meat to perfection while cooking delicate ingredients such as vegetables on the lower-temperature zone. Enjoy its broad cooking surface for up to 10 guests and its resistant non-stick coating for easy usage and effortless clean-up.

EDITORIAL DESCRIPTION

Plancha Booster: Next-level grilling experience

Discover the plancha that takes your grilling game to the next level: the Tefal Plancha Booster Electric Grill. It's the perfect plancha for meat lovers as it comes with a Power Boost zone that can be activated up to 2200 W to sear big cuts of meat perfectly! Simply push a button to sear your meat on the Power Boost half of the plancha while cooking more delicate food at a lower temperature on the other half—or use your whole plancha for lower temperature grilling. From thick pieces of meat and fish to eggs, vegetables and even fruit, this high-performance indoor electric grill is sure to create lasting memories with friends and family. Its non-stick surface is ideal for healthy cooking with no added oil, as well as for effortless clean-up, while the grill's adjustable thermostat with five cooking positions adapts to any ingredient. With an extra-large cooking surface—serving up to 10 hungry guests—and a range of advanced features, upgrade your grill experience with Plancha Booster.

PRODUCT BENEFITS

Power Boost Zone

Ultimate performance with a simple push of a button: the Power Boost zone puts flawless searing within reach—while letting you grill more delicate ingredients, like vegetables or buns, simultaneously.

Resist+ with Thermo-Spot®

All the convenience of the Resist+ non-stick coating—effortless cleaning, and good durability—with the Thermo-Spot® heat indicator for easy cooking.

XL cooking surface

The generous cooking surface is perfect for preparing delicious meals for up to 10 people—ideal for everyday use and creating lasting memories with family and friends.

Even heat distribution

Designed for cooking lovers and beginners alike, the well-designed cooking surface ensures homogeneous heat distribution for delicious results.

Adjustable thermostat

The multi-position adjustable thermostat offers 5 cooking positions adapted to all types of food, from thick pieces of meat and fish to eggs, vegetables and even fruit.

Easy clean-up

Discover non-stick coated plates that are easy to clean: simply remove the electrical unit and pop the plancha into the dishwasher—for effortless clean-up every time.
