

G-FORCE CYCLONIC SILENCE Vacuum Cleaner
GREEN FORCE CYCLONIC EFFITECH+ vacuum cleaner
RO7C71EA

Silent and Hygienic

G-FORCE CYCLONIC SILENCE is a very efficient bagless vacuum cleaner offering perfect cleaning results with a 500 W Effitech® motor along with HEPA grade filtration (min. 99.98% filtration) for pure air. This vacuum cleaner is made in France and contains at least 30% recycled materials, made from 70% recycled plastic and mostly recyclable. Its silence technology—running at just 66 dB(A), makes cleaning very comfortable.

Ratio Dust Pick Up on annual energy consumption, compared to Rowenta bagless canisters
**** compared to RO7B models***
dust pick-up performance and annual consumption measured internally according to standard EN60312, compared to Rowenta RO4B range **plastic: 65% of the total weight of the canister's body ***ratio dust pick-up on annual energy consumption, compared to Rowenta bagless canisters
