ATTENTION ▲ WARNING

Veillez à lire attentivement l'intégralité de ce manuel et à bien comprendre toutes les instructions et tous les avertissements avant de commencer l'installation.

Ce produit ne doit être installé que par une personne ayant des connaissances de base en matière de construction et d'installation et comprenant parfaitement ces instructions.

Demandez toujours à quelqu'un de vous aider à soulever et à positionner votre équipement.

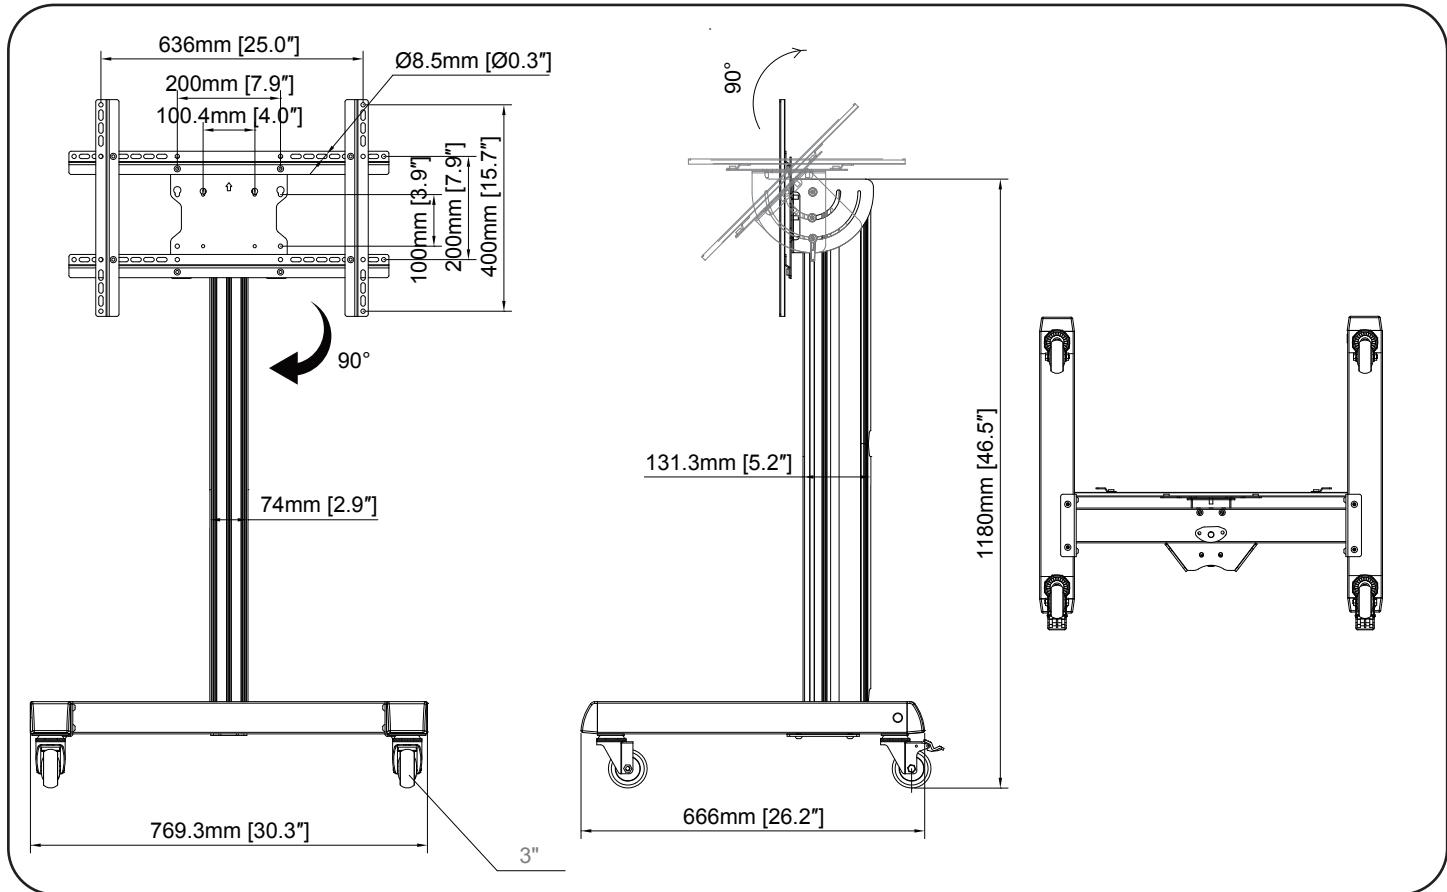

Serrez fermement les vis et les boulons, mais ne les serrez pas trop. Un serrage excessif peut endommager les éléments et réduire considérablement leur capacité de maintien. Veuillez vous référer aux valeurs de couple suggérées, le cas échéant, dans ces instructions.

Be sure to read this entire manual thoroughly and you fully understand all the instructions and warning before attempting to begin your installation. This product should only be installed by someone who has a basic knowledge of building construction, installations and fully understands these instructions.

Always have someone assist you to lift and position your equipment.

Tighten screws and bolts firmly, but do not over tighten. Over tightening can damage the items and greatly reduce their ability to hold. Please refer to suggested torque values where applicable in these instructions.
