Lisez l'intégralité du manuel d'instructions avant de commencer l'installation et l'assemblage. Si vous avez des questions concernant l'une des instructions ou des avertissements, veuillez nous contacter pour obtenir de l'aide.

⚠ Attention

- L'utilisation avec des produits plus lourds que les poids indiqués peut entraîner une instabilité pouvant causer des blessures.
- Veuillez suivre scrupuleusement les instructions de montage. Une installation incorrecte peut entraîner des dommages ou des blessures graves.
- Un équipement de sécurité et des outils appropriés doivent être utilisés. Ce produit ne doit être installé que par des professionnels.
- Assurez-vous que la surface de support supportera en toute sécurité le poids combiné de l'équipement et de tout le matériel et les composants attachés.
- Utilisez les vis de montage fournies et **NE SERREZ PAS TROP** les vis de montage.
- Ce produit contient de petits objets qui pourraient présenter un risque d'étouffement en cas d'ingestion. Gardez ces articles hors de portée des enfants.
- Ce produit est destiné à une utilisation en intérieur uniquement. L'utilisation de ce produit à l'extérieur pourrait entraîner une défaillance du produit et provoquer une blessure.

Requis pour l'installation

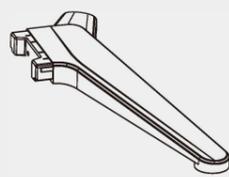

Liste des composants

IMPORTANT: Assurez-vous d'avoir reçu les pièces conformément à la liste des composants avant l'installation. Si des pièces sont manquantes ou défectueuses, contactez-nous pour un remplacement.
