### English Product description

The Braun Nasal aspirator 1 is a portable, DC-powered device consisting of a pump, a soft aspiration tip, and a secretion collection cup.

**Please read all the instructions before using the Braun Nasal aspirator 1, especially this basic safety information.**

## Nasal aspirator 1

### Intended use and contraindications

The Braun Nasal aspirator is intended to be used for providing intermittent suction to remove nasal secretions and mucus in children, 0 to 12 years of age, for home-use only.

- The Braun Nasal aspirator is designed to clean/extract nasal secretions only. Do not use the device for purposes other than those stated in these instructions for use.
- Keep out of reach of children under 12 years.
- DO NOT** expose the Braun Nasal aspirator 1 to direct sunlight.
- This device is designed for domestic use only. Consult a doctor if the child is suffering from a nasal infection.
- NEVER** use the device on children who are supplied with this device. Use of the wrong tip or overly forceful insertion may result in nosebleed.
- This product does not need to be calibrated.
- While in use, DO NOT block the exhaust at the side of the device as it would affect the functionality of the device.

### 2 Year Limited Guarantee

Subject to the terms and conditions of purchase, as claimed under the guarantee period will only be valid with proof of purchase. Guarantee: Two Years (2 Years) from date of purchase. This guarantee covers defects in materials or workmanship that occur under normal use. This guarantee will not replace the cost of repair or replacement of charge. The guarantee DOES NOT cover defects or damage resulting from abuse or failure to follow the user instructions. The guarantee becomes void if the device is tampered with, used with non-Braun brand accessories, or repairs are undertaken by unauthorized persons. Accessories and consumables are excluded from any guarantee. For support see website or: Braun\_Support@helenoftrroy.com This Guarantee is applicable to Europe, Russia, Middle East and Africa only. UK Only: This does not affect your consumer statutory rights.

In Europe, any serious incident (e.g. death, life-threatening injury, surgical chemotherapy) that has been reported to the manufacturer should be reported to your local competent authority (e.g. Health of Toy Consumer Service Numbers) and to the competent authority of your member state.

REF, LOT and Serial numbers of your product must be provided as they are essential to record and follow up your inquiry or claim. The LOT and Serial numbers are located in the battery door. The production date is given by the LOT number and can be deciphered as explained here. The first 3 numeric digits in the LOT number represent the day of the year of manufacture. The next 2 numeric digits represent the two numbers of the calendar year of manufacture and the letter(s) at the end designate the factory. For example, the LOT number 123133AV, this product was produced on the day 123, year 2013 at the manufacturer code AV.
