

VACUUM SEALER ACC

Vacuum clingfilm rolls for WMF Lono vacuum sealer
0419980041

Strong and tear-resistant—for safe storage of foods and perfect sous vide cooking

WMF Lono Vacuum Seal Rolls offer exceptional storage at WMF standards of quality, for results you can count on day after day. This set of two 30 x 600 cm rolls—made of exceptionally strong and tear-resistant material—ensures airtight storage that extends freshness when storing food in the fridge or freezer. They are also perfect for sous vide recipes cooked to perfection.

EDITORIAL DESCRIPTION

WMF Lono Vacuum Seal Rolls: Robust Performance

Strong and tear-resistant, with a special structure: WMF Lono Vacuum Seal Rolls offer exceptional storage at WMF standards of quality, for results you can count on day after day. Experience the difference with airtight storage that extends freshness when storing food in the fridge or freezer, or use these for sous vide recipes cooked to perfection. This set of two 30 x 600 cm rolls—made of exceptionally strong and tear-resistant material—is compatible with all standard vacuum seal devices, including WMF's own premium Lono Vacuum Sealer. Quality is matched by convenient features that make vacuum sealing easier every day: protection against freezer burn, boil-proof (in water up to 100°C max), microwave-safe for defrosting and heating up to 70°C, and individual labeling strips to mark date and contents for added convenience.

ETAILING DESCRIPTION

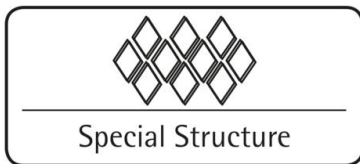

WMF Lono Vacuum Seal Rolls, 2 Rolls, 30 x 600 cm, Strong and Tear-Resistant, Protects Against Freezer Burn, Boil-Proof Up to 100°C, Date & Contents Strips, BPA-Free 0419980041

- Individual date/contents labeling strip for added convenience
- Includes: 2 vacuum seal rolls, 30 x 600 cm each
- Suitable for all standard vacuum seal devices, including WMF's own premium Lono Vacuum Sealer
- BPA free

PRODUCT BENEFITS

Special structure

Liquid contents are sucked in slower thanks to a special rhombic structure, for vacuum sealing at uncompromising standards of quality.

Strong and tear-resistant

High-quality 4-layer film for performance you can count on day after day.

Anti-freezer burn

Our high-quality vacuum seal rolls protect against freezer burns, for safe handling of frozen ingredients and leftovers with total peace of mind.

Boiling and sous vide

Discover your new go-to vacuum seal rolls for sous vide cooking and bain-marie recipes, with boil-proof material (in water up to 100°C max).

**Microwave safe**

Compatible for use with microwaves, for defrosting and heating up to 70°C max.

Labeling strips

Handy individual labeling strips for date/contents, adding practical convenience to your food storage.

Set of 2

Included are two film rolls, measuring 30 x 600 cm each.

High compatibility

Compatible with all standard vacuum seal devices, including WMF's own premium Lono Vacuum Sealer.

BPA free

Food storage with total peace of mind, with BPA-free vacuum seal rolls ensuring healthy, fresh food for the whole family.
