### WQHD display

ED3 brings users into a perfect colorful world in WQHD 2560x1440, and provides the finest natural and sharp original quality with VA \* panel and 100,000,000:1 contrast ratio.

### 1ms Visual Response Boost™

1ms Visual Response Boost™ (VRB), works by either quickly turning off the backlight or inserting a blank, black image between frames aka "blinking". This results in less noticeable blur in fast moving images because the liquid crystals don't have to double up on frames as they rise and fall.

### Curved 16:9

With Curvature of 16:9 display ratio, Acer ED3 gives you a more enveloping viewing experience because their screens wrap around you, thus drawing you deeper into everything.
