

ROG CARNYX

Gaming Microphone

Certified by s0m

"ROG Carnyx captures the warmth and personality in my voice like no other...this is truly a premium microphone that I can depend on for my streams!"

- Sam "s0m" Oh, Professional Valorant player & Streamer

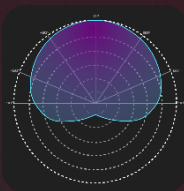

Key Features

The Carnyx's larger **25 mm condenser capsule** improves low-frequency performance and **delivers rich, natural, and warm vocal tones**

192 kHz
24-bit

Supports a high **192 kHz / 24-bit** sampling rate, ensuring high-fidelity sound reproduction to **reflect every nuance of your voice**

The **cardioid polar mic pattern** emphasizes sounds from the front and minimizes sound pickup from the rear, making the Carnyx **perfect for solo streams, gamers, and podcasters**

The **High-Pass Filter**, an algorithm comparable to professional-grade studio microphones, **effectively cuts out low-frequency background noises**

The **build-in pop filter** is made of foam and mesh layers to **prevent plosive sounds** when the microphone is used up close

The sturdy **all-metal shock mount** includes elastic suspension cables to **isolate the microphone from external vibrations** like the keystroke or mouse clicks that often travel through the table

The **one-touch button works** silently so no sound is picked up by the mic **for uninterrupted recording**

Use the intuitive **multi-functional control knob** to adjust the volume or activate/deactivate the High-Pass Filter function

Synchronizes effects with other **Aura Sync**-enabled products for a unified look

Specifications

ROG CHARNYX
Gaming Microphone

Connectivity	USB-A to USB-C cable
Microphone Capsule	25 mm condenser
Polar Pattern	Cardioid
Sample Rate	Up to 192 kHz
Bit Rate	Up to 24-bit
Microphone Frequency	20 Hz– 20 kHz
Sensitivity	-37 dB ± 3 dB (0 dB = 1 Volt / Pascal, @ 1 kHz)
Max SPL	120 dB
Headset SNR (Signal-to-Noise Ratio)	100 dB
Headset Output	1.5 Vrms
Power Required	5V/400 mA
Support OS	Windows 10/11 MAC OS 10.12/10.13 The latest ChromeOS version
Dimension (L*W*H)	119.5 * 132.47 * 252 mm
Weight	634 g
