Portable Single Cable Design

- Single cable charging and data transmission with Type-C*
- HDMI
- Ultra Slim portable design

*Power delivery via USB-C™ cable only when source can supply power. Extending or mirroring your display with a Type-C port requires video out (DisplayPort Alt Mode) functionality.

2 VESA mount holes

FHD resolution

PM1 series brings users into a perfect colorful world with FHD 1920 x 1080, and provides the finest natural and sharp original quality with IPS panel and 100,000,000:1 contrast ratio.

Wide Viewing Angle

Acer's Wide viewing angle feature is able to display color accurately up to 178 degree so that no matter which angle you choose to view it from, your monitor will display colors perfectly.

In-Plane Switching technology

In-Plane Switching technology, which is accurate across 178° presents a splendid quality in wide angles. Through the screen, everything is crisp and clear from any angle

USB Type-C™

Declutter your life and keep things simple with this single-cable solution. One USB Type-C™ cable hooks up your PM1 series display to a laptop, smartphone or tablet.

About Acer

Established in 1976, Acer is an information and communication technology company dedicated to the research, design, marketing, sale and support of innovative products that enhance people's lives. Acer's green supply chain delivers environmentally friendly PCs, displays, projectors, servers, tablets and smartphones — tools our customers need to explore beyond limits and experience more. Ranked No. 3 for notebooks globally (IDC 2012), Acer employs 8,000 people, and 2011 revenues reached US\$15.7 billion. Please visit www.acer.com for more information.
