FEDERAL COMMUNICATIONS COMMISSION INTERFERENCE STATEMENT

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules.

These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation.

If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

This device complies with part 15 of the FCC Rules.

Operation is subject to the following two conditions:

- (1) This device may not cause harmful interference, and
- (2) this device must accept any interference received, including interference that may cause undesired operation.

CAUTION: Any changes or modifications not expressly approved by the grantee of this device could void the user's authority to operate the equipment.

4. Exclusions from this Limited Warranty Service
The warranty only covers technical hardware issues during the Warranty Period under normal use conditions. ASUS does not warrant uninterrupted or error-free operation of this Product. It does not cover any software issues even if packaged or sold with Product, or customer induced damages or circumstances such as but not limited to:

- Damage caused to this Product(s) by you or any non-authorized third party;
- The serial number of the Product, components or accessories has been altered, cancelled or removed;
- Obsolescence;
- Damage (accidental or otherwise) to the Product that does not impact the Product's operation and functions, such as without limitation to rust, change in color, texture or finish, wear and tear, and gradual deterioration;
- Damage to the Product caused by improper installation, improper connection or malfunction of a peripheral device such as printer, optical drive, network card, or USB device, etc.

personal data in order to facilitate the requested service; and for this purpose Your personal data may be transferred to, stored, processed or used by ASUS' affiliated companies or ASUS' service providers who may be located in a different country to you. ASUS committed that all said transfer, storage, process or use of Your personal data shall be subject to applicable laws on privacy protection and personal data security and the "ASUS Privacy Policy". Please access and read the ASUS Privacy Policy at: https://www.asus.com/Terms_of_Use_Notice_Privacy_Policy_Privacy_Policy/

7. Warranty and Support
This Warranty applies in the country of purchase. Product purchased in European Union is eligible for ASUS Warranty Service within European Union.

ASUS products come with warranties that cannot be excluded under the Australian Consumer Law.

You are entitled to a replacement or refund for a major failure and compensation for any other reasonably foreseeable loss or damage.

You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure.

In this Warranty:

- Service procedures may vary by country.
- Some service and/or replacement products may not be available in all countries.
- Some countries may have fees and restrictions that apply at the time of service; please visit the ASUS Support site at <https://www.asus.com/support> for more details.

This Warranty is given independently of any statutory rights that may apply in the country of purchase and does not affect or limit such statutory rights in any manner whatsoever.

1. General
ASUS warrants the Product to be free from defects in workmanship and materials for the Warranty Period. The Warranty does not cover bundled accessories, which were delivered together with the Product such as: cables, bag, mouse etc. If the Product

fails during normal and proper use within the Warranty Period, ASUS will repair or replace the defective parts of the Product, or the Product itself, with new or reconditioned parts or products that are functionally equivalent or superior to those originally supplied.

This Warranty applies only if the Product was newly manufactured on the Date of Purchase and not sold as used, refurbished or manufacturing seconds. Please keep the original purchase invoice and this warranty card for future service request. This Warranty does not include failure caused by improper installation, operation, cleaning or maintenance, accident, damage, misuse, abuse, non-ASUS modifications to the product, any software programs, normal wear and tear or any other event, act, default or omission outside ASUS' control. For further details, see section 4 of this Warranty Card.

All components that an ASUS Service Center repaired or replaced will be under warranty for three months or for the remainder of the warranty period, whichever is longer. The Repair Center may recover the originally configured operation system bundled with the Product. **ASUS will not restore or transfer any data or software from the Product's original storage media. If the Product is replaced or refund, all user generated data may be permanently deleted.**

Upon replacement of a Product or part(s) under this Warranty, the original Product or part(s) shall automatically become the property of ASUS. You agree to transfer the ownership of the

original Product or part(s) to ASUS and to return it to ASUS if applicable.

2. Customer Responsibility When using the Product

- Read the user manual first and use the Product only according to the user manual.
- Periodically back up your data stored on the Product.
- Technical support hotline phone number can be found at <https://www.asus.com/support>.
- Ensure that You have fully backed up all the data stored on Your Product and removed any personal, confidential, or proprietary information before any service process is started. You agree that ASUS may delete any data, software, or programs installed on the Product without restoring them. ASUS shall not be held liable for the permanent loss, damage, or misuse of your data.
- Pack the Product in safe and stable packaging and make sure that all accessories are in the package. The original packaging may be useful for this purpose. ASUS shall have no liability for the loss, damage or destruction of accessories or removable storage devices, unless they are caused by willful or gross negligent acts by ASUS.

5. Limitation of Liability
Except as provided in this Warranty and to the maximum extent permitted by law, ASUS is not responsible for direct, special, incidental or consequential damages resulting from any breach of warranty or condition, or under any other legal theory, including but not limited to: loss of use; loss of revenue; loss of actual or anticipated profits (including loss of profits on contracts); loss of the use of money; loss of anticipated savings; loss of business; loss of opportunity; loss of goodwill; loss of reputation; loss of, damage to or corruption of data; or any indirect or consequential loss or damage whatsoever caused including the replacement of equipment and property, any costs of recovering or reproducing any data stored on or used with the Product. The foregoing limitation shall not apply to death or personal injury claims, or any statutory liability for intentional and gross negligent acts and/or omissions by ASUS. Some jurisdictions do not allow the exclusion or limitation of incidental or consequential damages; to the extent such jurisdiction is governing this Warranty the above limitations do not apply to You.

To the extent permitted by law, ASUS reserves the right to interpret the provisions in this ASUS Warranty Information. **The Warranty Policy applicable to you is the one in effect at the time of purchase.** Please visit the ASUS Support site at <https://www.asus.com/support> for current and complete ASUS warranty information.
