

# ASUS ZenScreen™ MB16ACE

*Extend your vision. Free your world.*

## Key Features

Low Blue Light & Flicker Free

Hybrid Signal Solution

Hybrid-signal USB-C supports power and video transmission, plus compatibility with any laptop with a Type-C or Type-A port

15.6-inch IPS wide viewing panel with Full HD resolution for stunning picture quality

Anti-glare Screen

Anti-glare panel dissipates reflected light, making it easier to see what's onscreen and reducing eye fatigue while watching

Ergo Smart Case

New ergo smart case with 35% lighter weight for protection and stand

Ultra-light Weight

Easy to carry with new smart case of light weight

With its ultra-slim 8mm profile, it fits easily in any travel bag.

Auto Rotate

With DisplayWidget software, it can automatically sense its orientation and switch between landscape/ portrait modes

Ultra-low Blue Light

Blue light filter offers four blue-light filter settings to minimize the harmful blue light impact on eyes.

Flicker-free

TÜV -certified ASUS Flicker-free technology reduces flicker for a comfortable viewing experience to avoid eye strain
