Universal Pillow Packer – Orange

This Universal Pillow Packer is practicality personified. Simplicity at its best.

Perfect to store your favourite travel pillow, packing it down to very petit proportions. In fact, the stored pillow size reduces by a whopping 60%! A handy integrated mesh pocket is also fab for carrying your tech valuables, cables or chargers. The lockable zippers allow you to level-up your security, while the quick and easy detachable handle makes it a cinch to attach to your case. When you're done, pop it in the washing machine to keep it pristine. A statement logo in a not-so-subtle orange with a co-ord handle sends out all the right vibes too. It will quickly become your go-to travel companion.
