Чекори на склопување:

- 1** Инсталирајте го предниот држач до вратот на држачот како што е прикажано.

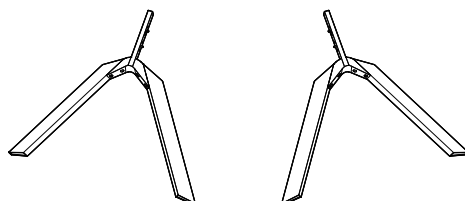

Забелешка: Инсталирајте ја предната потпора на вратот на држачот на страната на вратот на држачот со позиционерот.

- 2** Прицврстете го потпирачот за грб на вратот на држачот како што е прикажано.

Забелешка: Потпирачот за грб е дизајниран со кабелски канали.

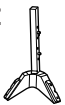

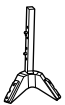

- 3** Инсталирањето на заградата е завршено.

Забелешка: Погледнете ги упатствата за вашиот ТВ или Водичот за Брзо Стартување за инструкции како да го прикачите завршениот држач на вашиот телевизор.
