JMGO PicoPlay+

Light the Room, Sound Your Mood

2-in-1 Fun Projector & Bluetooth Speaker

Lights off, sound on. Transform any room into a cinema or a vibe-filled music zone. Just switch modes—no extra gadgets, no compromises.

Vertical Projection Mode for More Content

Just flip it—TikTok, Shorts, Reels and stories explode to life-sized vertical glory. Watch your feed, but bigger than ever.

Google TV Projector with Built-In Netflix

Integrated with Google TV, users can easily access over 10,000 apps, enjoying endless entertainment content.
