# KODAK 7 Inch Digital Photo Frame

Model:RDPF-700W

- KODAK 7" Digital Picture Frame should add a little brightness to your favorite room. With its decorative wood frame and matte, this photo frame will fit right in with the rest of your collection.
- Unlike a standard photo frame, the RDPF-700W creates slideshows automatically with programmable transition effects and auto on/off times.
- Simply insert your SD/SDHC/MMC memory card or USB 2.0 flash drive into RDPF-700W and a slideshow automatically starts showing off your favorite photos in bright, crisp high resolution.
- A gift for yourself, family or friends: Easy to use, a presentation full of precious memories, fill your space with love and happiness!
- A high-end digital calendar with slideshow with your favorite photos.

Easily share your special memories !

Color: Black / Burlywood
