

neakasa | Better than iron, even easier than steamer

Neakasa Magic 1 Vacuum Steamer

Tired of heavy irons and low-efficiency steamers? Neakasa offers a powerful, portable solution with its innovative AirIron Technology for instant wrinkle removal and ready-to-wear clothes right after steaming. With no ironing board needed and easy one-handed operation, you can achieve iron-grade results effortlessly.

What Makes the Neakasa Magic 1 Stand Out

Traditional Ironing

- ⊗ Damages Clothes
- ⊗ Burns Hands
- ⊗ Takes Up Space

Handheld Steamer

- ⊗ Steam Waste
- ⊗ Multi-Pass Wrinkle removal
- ⊗ Water Residue

Neakasa Magic 1

- ✓ No Ironing Board Needed
- ✓ Only One-Pass Wrinkle Removal
- ✓ No Waterstains, No Burns

Airlron Technology for Instant Wrinkle Removal

Say goodbye to wrinkles in a flash! Neakasa's Airlron Technology smooths out wrinkles with just one pass, delivering iron-grade results without the need for an ironing board.

Before

After

No Steam Backflow,
Minimizing Burn Risk

Effortless One-Handed Operation, Safe & Easy

With 2300Pa suction, the Neakasa Magic 1 vacuum steamer automatically grips your clothes, enabling easy one-handed steaming – even in tricky areas like hems and seams – eliminating the risk of burns.

Triple the Speed, Triple the Results

Neakasa's AirIron Technology maximizes steam efficiency by deeply penetrating fabrics and quickly suctioning the steam back, effectively doubling performance. As steam is drawn back, cool air rapidly cools and shapes the fabric. With a fast 30-second heat-up time, you can start steaming and ironing right away. This allows our steamer to handle three garments in the same time traditional steamers take for just one.

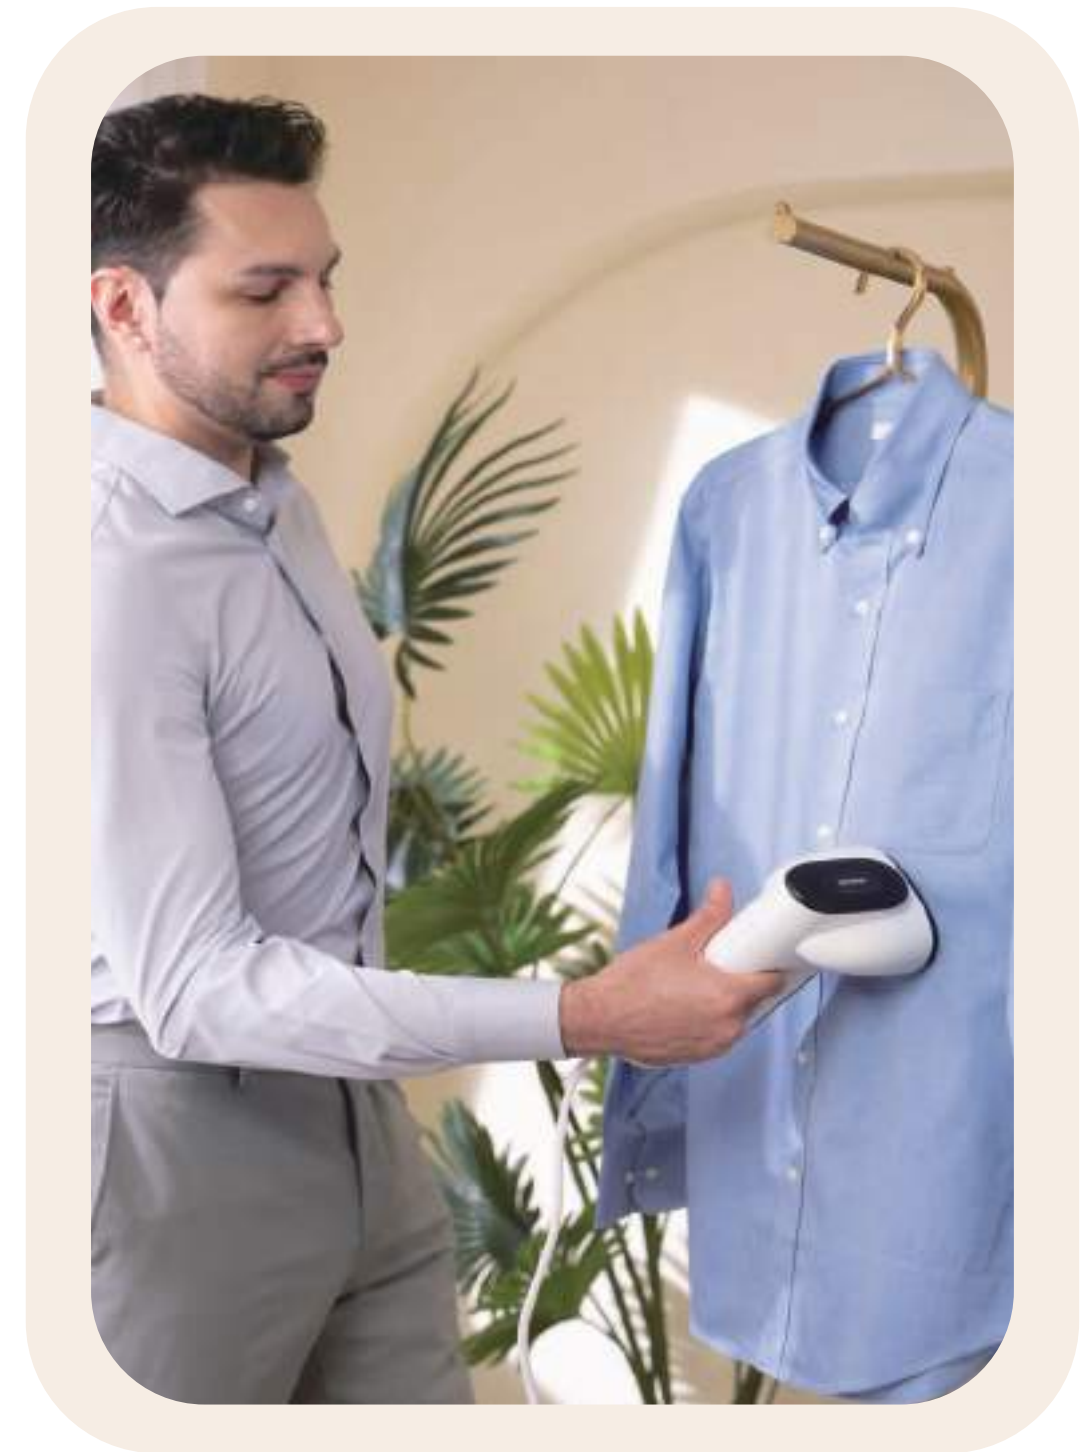

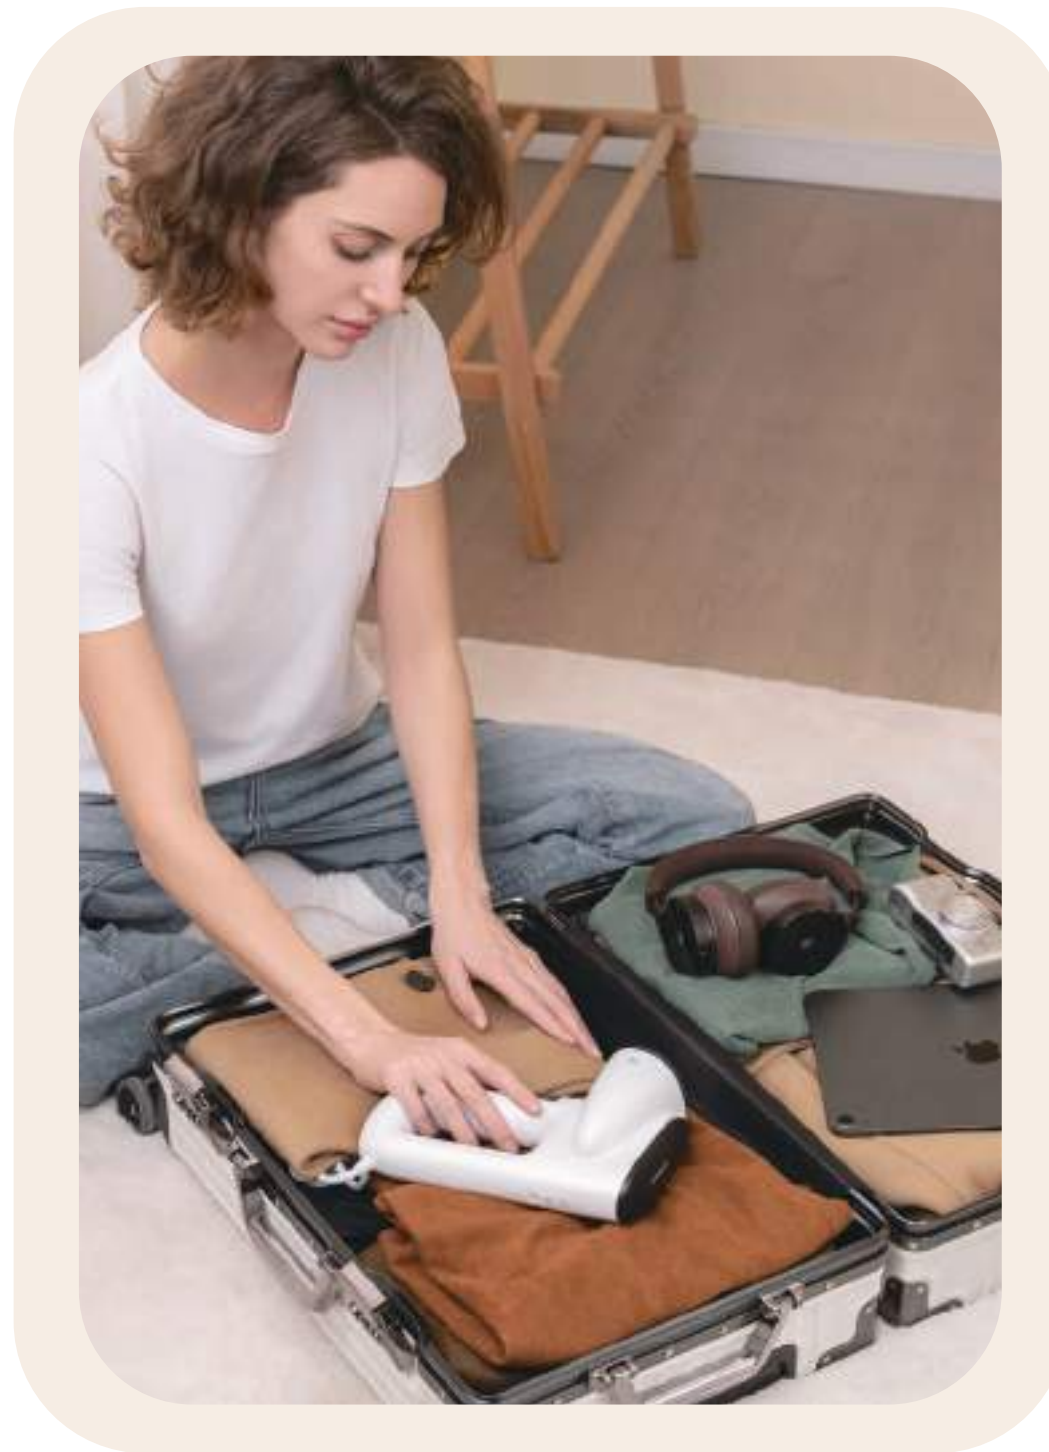

No Waterstains, Wearable Instantly

As steam is drawn back, powerful suction removes moisture and water stains, leaving your clothes ready to wear immediately. It's the perfect solution for busy moments, ensuring you're always ready to go!

Lightweight, Compact and Portable

Perfect for home, office and travel

Dual Modes for All Fabrics

Neakasa Magic 1 lets you activate suction to quickly smooth sturdy fabrics like T-shirts, shirts, and jeans. With suction off, it works like a traditional steamer, perfect for use on an ironing board to gently care for delicate fabrics like silk—offering the best care for all your garments.
