The Aurzen ZIP

World's First Tri-Fold Ultra-Portable Projector

The Aurzen ZIP features an innovative Z-Fold design, combining an HD projector, 90°+ 90° dual-hinge stand, stereo speakers, and a fast-charging 5000mAh battery in a compact unit that transforms any space into a portable cinema. Powered by the world's smallest DLP microchip and zero-lag ToF autofocus technology, it delivers HD clarity and seamless streaming without Wi-Fi for truly portable on-the-go entertainment.
