

XGIMI

Halo+ **1080p**
FULL HD

Let's Go Places!

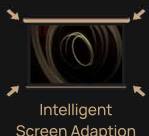

GOOD DESIGN

Exceeding the Boundaries of Portable Projectors¹

The ultra-portable Halo+ features superior engineering, a built-in 59W battery, and minimalist design all in one, providing you 2-Hour of spectacular big-screen entertainment on the go.

Intelligent Screen Adaption

Our industry-leading Intelligent Screen Adaption (ISA) technology simplifies usability and setup. Halo+ boots up and perfectly adjusts your display in seconds thanks to its Auto Keystone Correction, AI Object Avoidance, Autofocus, and Intelligent Screen Alignment.

FHD
900ANSI

Brightest Projector in its Class²

With Halo+, you get stunning 1080p FHD, bright 900 ANSI lumens, and phenomenal HDR10 technology, producing enticingly brilliant color depth frame-by-frame.

androidtv
10.0

A Whole New World of Entertainment

Android TV 10.0 + Google Play provides seamless access to 5000+ apps like Disney +, HBO Max, and Prime Video. Regardless if you're binge-watching the latest show or adventuring outdoors, Halo+ was built to entertain.

SOUND BY
harman/kardon
Dolby Audio dts

Sound by Harman Kardon

Halo+'s stunning resolution is matched with dual 5W Harman Kardon speakers that emit clean, distortion-free Hi-Fi sound with ample bass response.

Remark:

1. The battery life varies according to the viewing mode, application usage, and environment.
2. The brightness data is from the XGIMI Laboratory. Actual product brightness may differ based on the specific test software version, testing environment, and product version.
3. All parameters listed on this page are measured in a controlled test environment before the product is mass-produced. The results may vary based on individual user experiences, including different environments, usage conditions, and firmware versions.
