Da Gennaro is the electric oven to prepare excellent pizzas in just 4 minutes! The new Ariete pizza oven has a refractory base and 1200 Watt power,

allowing it to reach the perfect temperature for cooking pizza and focaccia, just like in a real wood oven. It is fast, compact and ideal for fresh or frozen pizza.

The Da Gennaro pizza oven comes complete with timer and 5 temperature settings that mean it is also ideal for cooking savoury tarts, toasted sandwiches, filled pastries...like in a traditional electric oven. Now you can enjoy the authentic flavour of the Neapolitan pizza in your own home!
