[1] as of 0.5 mm [2] on hard to remove oil-based foundation

Features in detail

Precise epilation.
With its sleek and compact design the facial epilator captures shortest hairs[1] that wax cannot catch. Easy to use on the chin, upper lip, forehead, and eyebrows.

Deep cleansing.
Remove make-up, oil and impurities with the cleansing brush. It cleanses 6x more effectively than washing by hand.[2]

100% waterproof
Braun FaceSpa Pro is suitable for use in the bath or shower. Make your facial treatment part of your shower routine.

Long-lasting smoothness
Extra slim epilator head with 10 micro-openings to gently capture even the finest hairs (0.02 mm) for up to 4 weeks of smooth skin.

MicroVibration toning
Relieve tension on your face while applying creams and serums. The toning head comes with MicroVibration effect to stimulate your skin.

Accessories in detail

Cleansing brush
Cleanses your skin pore-deep with gentle oscillations and at the same time refines and exfoliates the skin for a better absorption of creams and serums.

MicroVibration head
Provides an ultra-delicate tapping that vitalizes and tones the skin for enhanced skin appearance. If used with creams and serums, it helps for better applicaton of the products.
