Features in detail

Precise & Gentle Trim

Effortless cutting of ear and nose hair thanks to the dual sharp blades cutting system, and a powerful motor that give a precise trim.

SkinGentle Technology

Ensures easy and comfortable use. With a smooth outer blade, it provides a gentle trimming experience that minimizes pull and tug.

Easy on the go

The trimmer's pocket size and ergonomic handle make it easily portable and easy to use. Perfect for travel.

Washable blades

Fully washable blades for easy cleaning and effortless maintenance.
