Features in detail

Ultimate precision

Achieve the perfect style with the lifetime ultra sharp ProBlade.

Gentle body grooming

The BodyGentle Extra Mode provides a gentle body grooming experience, even in sensitive areas.

Use wet or dry

100% waterproof with AquaGrip for full control even under the shower.

Maximum efficiency

Achieve perfect evenness for any beard. AutoSense Technology senses and adapts to any beard thickness.

Gentle on sensitive skin

Groom with SkinGuard technology, designed for maximum safety and comfort even in sensitive body areas.

Powerful battery

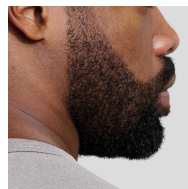

Long-lasting Li-Ion battery for up to 120 minutes cordless runtime. A 5-minute quick charge is enough for one trim.

Accessories in detail

Trim short or long

Use the adjustable combs (3 – 21 mm) to trim your beard with ease or to cut your hair to the precise length you want.

Fade

Fade your beard evenly with the fading combs, designed for cutting hair in different length with one go.

Detail

Use the ProDetail head for ultimate precision on every detail, even in tricky areas.

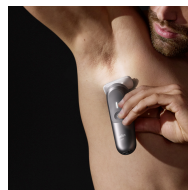

Contour & Edge

Create the perfect straight line with the ProContour head. Close and comfortable.

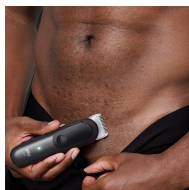

Shave

The PrecisionShave head ensures a clean and precise shave for perfect lines.

Smooth skin comfort

The interchangeable SmoothShave head provides ultimate skin comfort and more¹ efficiency.

Sensitive body areas

Attach the sensitive comb to gently trim your groin and sensitive body areas.

¹ vs. previous Braun trimmers

Ear and nose trimming
Easily trim ear and nose hair using the ear & nose trimmer head.

Gillette's Best Shave*
Experience effortless shaving in a single stroke for a close shave with the Gillette Labs razor.
