## Features in detail

### Precise shaving technology

The Braun Series 9 Sport electric shaver features 4 perfectly synchronized shaving elements for a precise and gentle shave every day.

### Precision even in tricky areas

The 40° adaptive Precision Shaving Head provides a close and precise shave even on tricky face contours, like under the nose and chin.

### Wet & dry use

The Series 9 Sport is 100% waterproof and can be used dry or wet, with foam, gel or even in the shower.

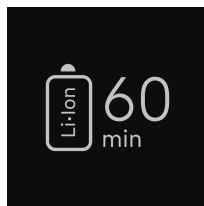

### Long Hair Precision Trimmer

The integrated Precision ProTrimmer with surgical-grade stainless steel allows for a perfect finish, even on longest hair.

### Optimized efficiency every day

SensoAdapt Technology analyses your beard density at 160x/sec and automatically adjusts power for an efficient and gentle shave.

### Shave up to 4 weeks without recharging

The powerful Li-Ion battery offers up to 60 minutes of cordless runtime. A 5-minute quick charge is enough for one shave.

## Keyparts & refills

### Series 9 PRO+ replacement head 96M, Silver

Get back 100% shaving performance. For optimal shaving, we recommend replacing your shaver's foil & cutter block every 18 months. Easy to change in 1 click. Compatible with all Braun Series 9 generations.
