Features in detail

Ultimate precision

Achieve the perfect style with the lifetime ultra sharp ProBlade.

Gentle body grooming

The BodyGentle Extra Mode provides a gentle body grooming experience, even in sensitive areas.

Use wet or dry

100% waterproof with AquaGrip for full control even under the shower.

Maximum efficiency

Achieve perfect evenness for any beard. AutoSense Technology senses and adapts to any beard thickness.

Gentle on sensitive skin

Groom with SkinGuard technology, designed for maximum safety and comfort even in sensitive body areas.

Powerful battery

Long-lasting Li-Ion battery for up to 120 minutes cordless runtime. A 5-minute quick charge is enough for one trim.

Accessories in detail

Trim short or long

Use the adjustable combs (3 – 21 mm) to trim your beard with ease or to cut your hair to the precise length you want.

Fade

Fade your beard or hair evenly with the fading combs, designed for cutting hair in different length with one go.

Detail

Use the ProDetail head for ultimate precision on every detail, even in tricky areas.

Shave

The PrecisionShave head ensures a clean and precise shave for perfect lines.

Smooth shave for body

The interchangeable SmoothShave head for body provides smooth skin comfort.

Sensitive body areas

Attach the sensitive comb to gently trim your groin and sensitive body areas.

Eyebrow trimming

Shape your eyebrows perfectly at home using the eyebrow comb.

Ear and nose trimming

Easily trim ear and nose hair using the ear & nose trimmer head.

Gillette's Best Shave¹

Experience effortless shaving in a single stroke for a close shave with the Gillette Labs razor.

¹ also available as Heated Razor
