Features in detail

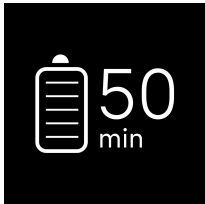

3 Flex blades

adapt to comfortably follow the contours of your face.

SensoAdapt Technology

Reads your beard and adapts motor power to the beard density.

Long-lasting Li-Ion battery

The Li-Ion battery offers up to 50 minutes of cordless runtime. A 5-minute quick charge is enough for one shave.

2 Shave modes

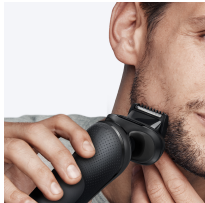

Turbo Mode for an extra fast shave and standard mode for the optimal balance between quick and gentle.

Wet & dry use

The Series 5 is 100% waterproof and can be used dry or wet, with foam, gel or even in the shower.

Accessories in detail

Beard trimmer attachment

5 different comb lengths (1, 2, 3, 5 and 7 mm) give you the flexibility to create and maintain your beard style with ease.

Keyparts & refills

Series 5 replacement head 54B, Silver

Get back 100% shaving performance. For optimal shaving, we recommend replacing your shaver's foil & cutter block every 18 months. Easy to change in 1 click. Compatible with Series 5 generations 50, 51, 52.
