Pilot Techno

In car mobile phone holder

Features:

- Dashboard or windshield mounting;
- Adjustable width 55 mm to 115 mm;
- Universal clip with scratch-free lining;
- Adjustable arm.

Compatibility:

Smartphones and mobile phones

Description:

PILOT TECHNO is the car mount for smartphones and mobile phones which fastens to the dashboard or windscreen.

Thanks to its supergrip suction cup, it guarantees maximum grip.

With 360° adjustment, it is designed to allow you to insert and remove the phone, even with its case.
