Universal

DESCRIPTION:

SPIN UNIVERSAL is the new discreet and easy to use Cellularline in-car holder which allows you to always keep the phone in reach while driving.

Its small size and elegant design lets Spin Universal blend in perfectly with vehicle's air vents.

The dual groove coupling system, one for thin air vents and the other for wide air vents, allows Spin Universal to be fastened to all types of air vents.

The innovative coupling mechanism allows a 360° holder rotation, providing both portrait and landscape display options.
