**Smartphone in-car holder with air vents mounting system**

### Features:

- Easy insertion system
- 3-sides support
- Air vents mounting

### Compatibility:

Universal

### DESCRIPTION:

**SLIDE** is the in-car smartphone holder featuring easy insertion and disinsertion systems: the holder opens and closes automatically with the weight of the smartphone.

Extremely practical and agile, **SLIDE** is also very solid and secure as it holds the smartphone on the three sides.

It mounts on air vents – except for round ones.
